

MORE THAN FUND

‘MORE THAN FUND’ - A NEW APPROACH TO VOLUNTARY CONTRIBUTIONS.

We are so thankful and grateful for your continued support. JFS is not an ordinary state school because of your generosity, but we have the opportunity for it to be **more than** that. If you can give more, our commitment to you is that every pound you give will be spent to the benefit of the children. Whilst there is no obligation to make any donation (and pupils at the school will not be treated differently according to whether their parents have made any donation in response to a request), voluntary contributions represent core funding for JFS, which relies heavily on donations from the families of its students.

Thank you for your support.
